

SOUTHERLY CHANGE

WHO SHOULD INFLUENCE CHANGE?

**New Zealand Mental Health Nurses College
Conference
2011**

Who will influence change?

- Workforce
- Defining 'Consumer'
- The 'Consumer' Perspective
- The RANZCP experience
- Recovery/Discover concepts
- Questions for the 'College'

Work Force Development

“clinical leadership and workforce will only develop to its full potential when there is willingness by all sectors to acknowledge that lived experience is just that.” g.r

Defining - 'Consumer'

- Who determines 'Consumer' ?

Defining- The Lived Experience

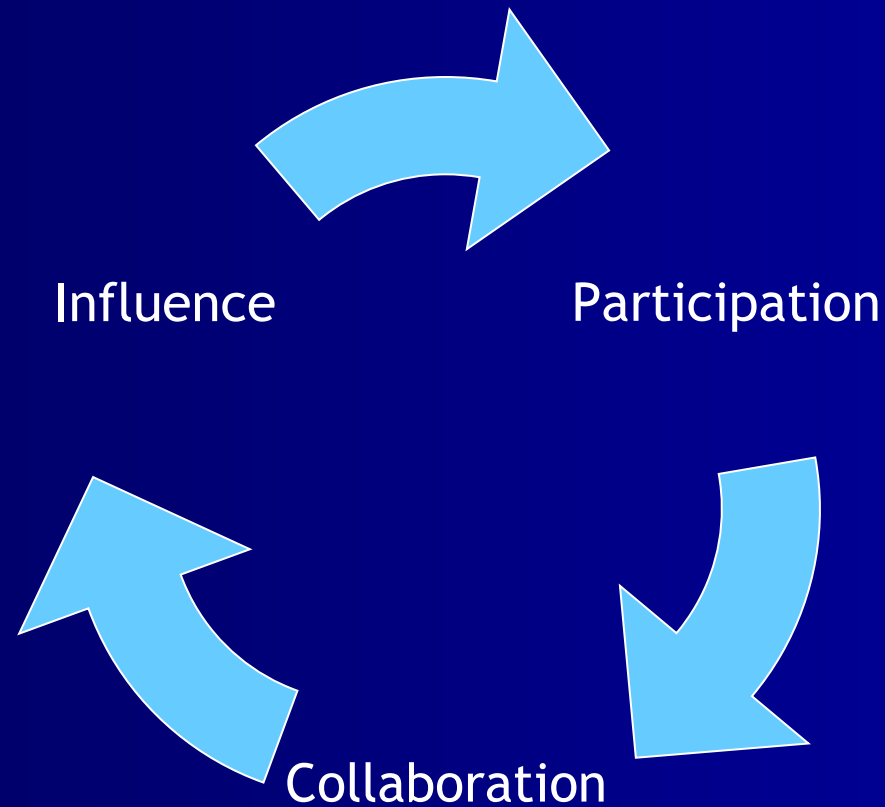

- What is the lived Experience?

The Consumer Perspective

Participation  Collaboration

Circle of Influence

Royal Australian and New Zealand College of Psychiatrists

- What has changed?
- How has this change occurred?
- Who are the drivers of this change?

Recovery / Discovery

What's the difference?

One implies "we will fix it"

the other

Implies "it involves risk"

The Questions for the College

How will you -

Provide a vehicle for influence by members with the lived experience?

Provide a vehicle for external Service User/Consumer influence?
