Account No - 03 0732 0592195 00

A Receipt will be sent on payment

A conference programme, with profiles of the presenters will be included in the conference bag and available at the beginning of the first day of conference

Posters

This is an opportunity for ID Nurses Care Managers, Support Workers and other Health Professionals, who work with people with an Intellectual Disability, to showcase your research or any topic of interest relating to your field of work.

The posters will be critiqued by a panel of Health Professionals, including, Professor David Allen. Feedback forms will be included in all the attendees conference material as well as a certificate of achievement, for your professional portfolio, including the panels comments, will be issued.

It is to the advantage of the individual attendee, as well as to organisations who intend sending staff, to submit a poster, as the registrations (all levels) will be discounted by a further \$50.

Certificate of Attendance

These will be issued on the last day and will credit individuals who have attended for the 3 days with 24 professional development hours.
