

Associate Director of Nursing  
Mental Health & Addiction Services  
Bay of Plenty District Health Board  
Full time or Permanent Part time hours – up to 1.0 FTE (80 hours per fortnight)

This exciting nursing leadership position incorporates provision of advanced professional leadership to the nursing workforce of Mental Health and Addiction Services, with a focus on building professional aspects of care delivery through the provision of advanced nursing assessment and advice or direct input into complex nursing care plans.

In partnership with the Business Leader, Clinical Director and other key operational staff the ADON position leads and supports clinical excellence through research, evidence based nursing practice and continuous quality improvement. The position has three direct reports (Clinical Nurse Educators).

There are a number of different models for this role which are effective within Mental Health Sectors in New Zealand.

This position is being advertised as a full time however there is a flexible approach to how the role may be implemented to broaden the scope of applicants.

Position No: 61112-11  
Closing Date: 27 January 2012
