

Tainui te waka, Tainui te Iwi

I have held core leadership positions in both the health and education sector including Charge Nurse, Whangarei Acute Mental Health Inpatient Services and Mental Health / Hauora Maori lecturer, Northtec, Whangarei.

My qualifications include a BSc, PG Cert MH Nursing, PG Cert Adult Teaching. I have successfully completed Huarahi Whakatu, and subsequently have volunteered my time to progress this kaupapa as a member of the Roopu korowai. Mental Health, Maori Mental Health and Mental Health Education are my motivators to enhance Maori Mental Health Workforce Development.

My commitment to the College would be to share my knowledge and experience, enhance Maori development and continue with advocating and being a “voice” for Mental Health Nurses in Northland and Nationally.
